RED Skate Park Knee & Elbow Pads feature a low-profile design, yet provide big time protection. This proven skate park design offers maximum durability, comfort, and protection. Constructed from long life Cordura fabric, RED Skate Park Pads feature ergonomically fitted inner foam, adjustable fit Velcro straps, and full coverage nylon hard caps. Perfect protection for the park from RED Skate.

RED Skate Cheater Knee Pads provide a lightweight layer of skatepark approved protection. These low-profile pads were designed as a more comfortable, less restrictive alternative to bulky, full-size knee pads. Small enough to fit under your clothes, RED Skate Cheater Pads use EVA padding to provide the low-impact protection necessary to keep your skate session going strong. Perfect protection from RED Skate.
